**Subject : Status Report for the implementation of the Project up to
December-2009.**

Dear Sir,

We have been granted Environmental Clearances by the honorable ministry as per details given below:

- (A) Revamping of existing Ammonia and Urea plant: : Reference No. J - 11011/1222//2007-IA-II (I) dated : 28.04.2008.
- (B) Expansion of existing Hazira Fertilizer Complex (Phase - II) : Reference No. J -11011/39/2004-IA-II(I) dated : 03.08.2004.

The status report pertaining to above clearances is as under:

- (A) Revamping of existing Ammonia and Urea plant : Reference No. J - 11011/1222//2007-IA-II (I) dated: 28.04.2008.

The Board of KRIBHCO had in its 247 meeting held on 29.12.2008, approved the implementation of revamp project at Hazira. The estimated schedule of implementation is 32 months with its zero date as 27th Jan 2009. The estimated cost of the project is about Rs.1301 crores. The project is expected to close during the last quarter of 2011. This is a revamp project, the expenses incurred so far has been taken care by Kribhco from its own sources, Kribhco has a very robust balance sheet, however finances would be tied as per fiscal prudence .

The implementation work for the project is in advance stage, brief description of the activities undertaken till date is given as below:

- Basic Engineering for Ammonia and urea plant is complete.
- The Detail engineering and procurement work with M/s PDIL is under progress.
- Inquiry for procurement of most items for Urea and Ammonia plant has been issued. ITBs issued for procurement of items for both the plants are in different stages of procurement
- Order has been placed for long lead items such as Carbamate condenser, high pressure Ammonia and carbamate pump, cooling tower cells, CO2 compressor, Synthesis gas compressor, Molecular sieve dryer Bulk Absorber, parallel Air compressor and Vacuum system.
- Final approval for the procurement of has been received and the order for the same would be placed shortly.
- Price bids for major long lead item, Purifier Package and Semi-lean pump is under process of finalization and order for the same would be placed shortly after approval.
- Civil work at site is under progress. PDIL personnel are at site to supervise the construction activity.

The progress of the project is satisfactory

(B) Expansion of existing Hazira Fertiliser Complex (Phase – II) : Reference No. J-11011/39/2004-IA-II (I) dated : 03.08.2004.

- Regarding Environmental Clearance (EC) for expansion of existing Hazira Fertilizer Complex (Phase-II) mentioned at point (B) above, MoEF has granted Environment Clearance for establishment of Ammonia, Urea and Argon Plant, out of which Society has implemented the Argon plant and commercial production started in April-2008. There are no specific conditions pertaining to Argon Recovery Plant in EC referred above as the process of Argon Recovery does not generate any liquid effluent or air emission. Consent to operate for The Argon recovery plant has been obtained from M/s Gujarat Pollution Control Board-Gandhinagar. However, Ammonia and Urea plant could not be implemented due to uncertainty regarding availability of feed stock and fertilizer Policy was not conducive,

- Due to declaration of new fertilizer policy by Gov. of India and availability of gas from KG basin, the Society has now reviving the proposal of Expansion to establish new Ammonia and Urea plant. Accordingly, Society has filed an application on 27.07.2009 to MoEF -New-Delhi for renewal of Environment Clearance which was issued by Ministry for the above referred project mentioned at point (B). Subsequently presentation was made before the Expert Appraisal Committee (EAC)-New -Delhi on 24.10.2009 for re-validation of Environment Clearance. Necessary orders are awaited from the MoEF. The Society is now scouting for long term gas supply tie up at competitive rates. Further activities in this regard will take off once gas arrangement is freeze and letter of revalidation of EC will received from Ministry. If the work on expansion of existing Hazira Fertilizer Complex (Phase - II) starts in future, the conditions mentioned in the above referred EC will be complied with.

This is for your information and records.

Thanking You.

Yours faithfully,
For Krishak Bharati Co-operative Limited
