## PRE-QUALIFICATION OF H&T CONTRACTORS IN PUNJAB

KRIBHCO invites applications for the pre-qualification/ registration of Handling and Transport Contractors in Punjab State for clearing, handling, and forwarding of 45/50 kg weight fertilisers in HDPE/BOPP bags received through block rakes at railheads, handling at warehouses, and subsequent transportation to various locations such as cooperative retail points, feeder godowns, etc.

Interested, reputed, and financially sound H&T contractors with proven capabilities may obtain the requisite documents from the Sr. SMM (State Marketing Manager), or download them from our website: <https://kribhco.net/pages/other/tender.php>. The completed documents should be submitted in the prescribed format by registering on the website on or before **18.09.2025**, up to **05:00 PM**.

For any clarification, the Sr. SMM, KRIBHCO may be contacted on any working day between **09:30 AM** and **06:00 PM**. KRIBHCO reserves the right to reject any or all applications, or to postpone/extend the deadline for receipt, acceptance, and/or opening of applications at its sole discretion. KRIBHCO's decision in this regard shall be final and binding.

Existing contractors must also apply afresh for pre-qualification. The advertisement is available on our website, along with the prescribed formats for the required documents such as the application, solvency certificate, and affidavit.
